

New Year Knees Up

There's a party going on right here
A celebration to show what happened last year
So bring your good times, and your laughter too
We want to celebrate a **New Year Party** with you.

Calling out around the pool
Are you ready for the New Year meet
there'll be swinging, swaying, & records playing
and dancing to the beat.

It's an invitation across the club, a chance for folks to meet
there'll be laughing, **eating**, and **music playing**
with **awards** for you to greet.

It doesn't matter what you wear, just as long as you are there
so come on, grab a **ticket**, they're **£6 each**
and do some dancing with your feet.

It's **Friday** night and the lights are low
OL's, the place to go,
We can play your kind of music; we won't ask you to sing
As long as it's the family you bring,
Everyone, there are tickets to buy
remember £6 each, they're not too high
we'll be there **JAN the 6, from 7.00** will be fine.
Mike, will you have a dance?
More than likely not a chance!

'Cause, you can you dance. You can you jive.
Hoping, you'll have the time of your life
Ooh, see that girl, from the **social team**
And buy your ticket... to be a dancing queen!
