

## Thrilling Third at Arena League

Stetchford Cascades was the venue for the first round of Arena League. Stiff competition from Hereford, Bilston, Stourbridge, Abingdon and gala favourites Boldmere.

A tough draw with Leamington only securing three first place finishes and two of those were in the open 100m breaststroke events. The first came from the safe hands of Midland Champion Ellen Stone and an impressive time from Master's swimmer Rob Robson recording 1.08.24. The third came from the thirteen year olds Aran Shuttlewood, Edward Jolley, Freddie Quelch and Hymie Connell in the freestyle relay.

However, Leamington kept the momentum going, finishing in second and third places in the majority of their races resulting in Leamington clinching third place by just one point. Well done team. The coaches are anticipating a tough draw so make sure you are available for the next round on November 10.
