

Practice Makes Perfect!

Leamington travelled to Redditch for the pre-season practice gala. This practise gala helps prepare both swimmers and coaches for the start of Junior League in April.

However, the coaches had no concerns as the team stepped up to the mark. A mountain of sixteen first place finishes together with thirty seven second and third places helped the club to first place winning by nine points.

The youngsters, aged between 9 and 12, led from the start with some excellent individual races, however, the squad really pulled together in the relays with nine first place finishes. The canon always creates a frenzy on balcony with spectators on their feet cheering and encouraging their club to the finish and Leamington once again cruised to victory with a comfortable win.

An unexpected trophy, even gave team captains Molly Quelch and Connell Parker a chance to practise their winning smiles.

The coaches were impressed with both old and new recruits and are looking forward to the competitions ahead.

Final scores were:

Club	Points
Leamington Spa	232
Worcester	223
Redditch	184
Blythe Barracudas	172
Pershore	166
Haden Hill	81
