

Rejuven8 Physiotherapy

**Swim Strong
Terrific Turns**

Physio Led Sessions

Why Rejuven8?

Our new Swim Strong 2 hour intensive Terrific Turns class is designed to provide the progressive tools to continue to improve the shaping of fundamental swim specific body tension positions, strengthen streamline & optimise turns all with the aim of enhancing performance in the water, using a variety of exercises.

Classes are run in a comfortable & relaxed environment in a purpose built facility. They are suitable for performance level swimmers who undertook fantastic fundamentals & wish to improve their skills further.

Make this swim season a strong one!

There's ample free parking & all equipment is provided.
